"What I must do is all that concerns me, not what the people think . . . It is the harder because you will always find those who think they know what is your duty better than you know it. It is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude."

Dean Keeler

Those we hold most dear never truly leave us.
We all have our different journey's,
We all were meant to learn something,
But never meant to stay.
Our destination is a place far greater than we know.
For some, the journey's quicker,
For some, the journey's slow.
And when the journey finally ends
We'll claim a great reward,
And find everlasting peace.

Wrestling

The 1988-1989 Hingham High Wrestling Team had a season of ups and downs, but came out on top with a winning record of 9-8-1. Although the team was plagued with injuries, losing senior Tom Berry, Mark Stanton, Fred McGovern, and Garret Kletjian for different intervals throughout the season, the wrestlers came together under the leadership and experience of captains Peter DiMarino, Jeff McKenzie, Fred McGovern, and Mark Stanton. Along with the other returning varsity members and a new wrestler, the team finished very well in the tough Old Colony League. A note of congratulations goes out to Peter DiMarino, who recorded the most team points (104) and Joe Fulton, who recorded the team's quickest pin. A highlight of the year was the Sectional Tournament which was held at Hingham High School. Seventeen towns were represented in the tournament.

Baseball

The 1988 baseball team had a successful season under Coach Green. The team expects to be a strong contender in the O.C.L. this year as it lost only four seniors from the 1988 team. With the experience of returning seniors Rick Cronin, Andrew Thorton, Mike McCarthy, Dave Cummings, Jeff Stebbins, and Chris Igo, the team is sure to stand up against any competition that other teams may throw at them. This experience coupled with that of five returning underclassmen will most assuredly provide a great season in 1989.

ORGANIZATIONS

Yearbook

The editors of 1989; Andrea Davies, Nicole DellaVolpe, Tom Berry, and Mark Semler sincerely hope that you enjoy this yearbook. It is the result of at least fifteen hours a week continuously since November. A great deal of work, laughter, and even a little arguing brought these people and this book together. Through "Grumpy Bears" and "Halo Jumpers", pig-tails and braids, Mother Goose and Jenny's brownies we made it!! Special thanks to our copy editor, Monica Clark, who did all of the typing and Mr. Tierney, whose guidance led us to the final masterpiece. Thanks also goes out to Stephanie Caracciolo, Carie Marden, and Allen Fisher, who contributed some of their prize photos, and the rest of the Yearbook Staff of 1988-1989. We appreciated your help.

The Spanish Club has grown in size and participation this year. We have had many beneficial fund raisers which have helped enlarge our treasury. This year we have begun laying the groundwork for a future program whereby we will be helping the less fortunate in Central America. Mrs. Robison's primary goal is to send some of our funds to help build a school in Honduras. With the aid of officers Peter Giordano — (President); Rachel Flynn — (Vice President); Monica Clark — (Secretary); Matt Gannon — (Treasurer); Alicia Ponichtera — (Fundraiser); Andy Jan and Juniors: Glenn Morrison and Katie Knab, this dream will become a reality in the next few years. In the future we hope that newcoming Spanish Club members will continue to expand where we left off.

French Club

High School Years are the most treasured of them all. This years French Club added to these special moments.

The French Club enables students to become more aware of the French culture. Members of this club organize a pizza and French movie each month for a time to get together and share a few laughs. Selling candy was the famous fundraising this year as well as in the past. The sales were a great success to the club's treasury which helps in various ways.

Amnesty International

Officers: L R: S. King — (President), J. Diercks — (Secretary), H. Cook, L. Hansberry, S. Valovic — (Vice President), J. Fish — (Treasurer), C. Earl — (P.R.), J. Parrillo, R. McKenzie. Advisor: Mr. Ryan.

Amnesty International is often known only through the promotional concerts and advertisements it produces. Many people have heard of Amnesty International yet few people know what Amnesty stands for.

Amnesty International is a non-profit international organization devoted to the issue of human rights. It is not devoted to any political ideology religion, sex, etc. It strictly maintains the opinion that *all people are equal*.

Amnesty International has three main goals: To free all prisoners of conscience — anyone who has been arrested for non-violent actions; Ensure every persons basic human rights — freedom of speech, religion, political ideology, etc.; and to end torture and the death penalty for all people regardless of the crime committed. Al accomplishes these goals by writing letters to a government on behalf of a prisoner of conscience. Letter writing and petitioning really does work because the government realizes that they are doing an injustice and doesn't want poor publicity.

Amnesty International is determined to help with the release of prisoners of conscience throughout the world.

AFS Club

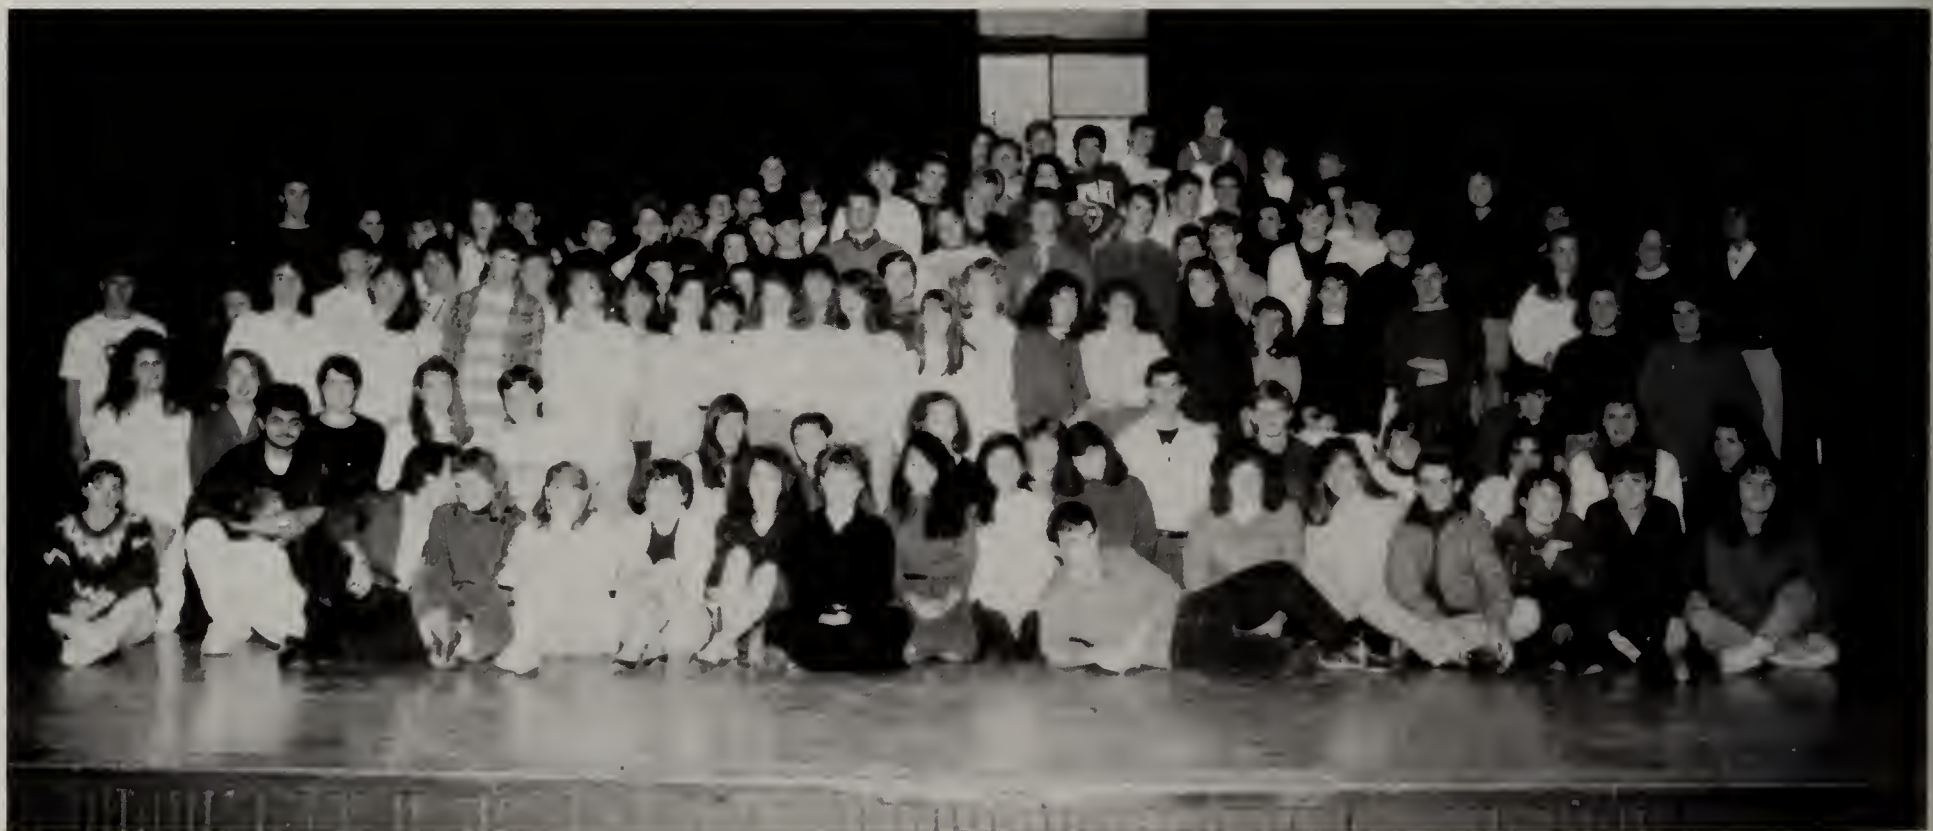

The Hingham High School AFS Club enjoyed another year of excitement and adventure. The club's impressive 230 members make it the largest in New England. The club continued to support and encourage foreign students and exchanges. Many students from HHS are involved with these exchanges, some travel away and others travel to Hingham. AFS gives them support and wishes them the best of luck in their endeavors.

AFS activities as usual were hilarious and unforgettable. This year's annual Dance-A-Thon raised money to fund the development of a library in Zimbabwe. The club also did their annual yard work at the Friends' Home on Turkey Hill. The thrills, spills, and chills of our ski trips are ones that cannot be forgotten (or recreated!) Everything that the club did was filled with both fun and adventure.

AFS gave great memories and laughs to so many people. We could not have done it without our great officer board and our dedicated advisor, Miss Gillard. Thanks everyone. Remember skiing, International Weekend, chubby bunny, bus rides, Alcoa, and all of the excitement we shared.

Greater Boston Student Advisory Council

Craig Webb, Alyssa Shelsy — (Missing from Picture)

The Greater Boston Student Advisory Council's main objective is to represent the student body to the state Board of Education. They meet with various task boards and write letters of approval or disapproval to laws which pertain to our educational system. The many projects taken on by this group include an Amendment which bypasses the (Supreme Hazel Wood Court Case), which gives Mass. the option of anti-censorship and are in the process of pushing through search and seizure laws and Student-Teacher Confidentiality Laws.

International Students Club

Members: Lars Binau, Kozuko Kojima, Hugo Castegon, Francesco Ramello, Tommi Vahasilta, Torun Smedseng. Missing from photo: Mandy Chisholm, Pam Wallisuta, Karen Cruz, Boris Wijkstrom, Jorge Dehes Casas

Every year the International Students Club earns money to take trips to another part of the United States. Many know of their most popular fundraiser — Selling candy bars. Mr. Nionakis and Mrs. Gustafson are the club's advisors and try to assimilate the foreign exchange students into Hingham High School. This year's club has visited Cambridge and plans to visit New York. The exchange students form a bond of friendship due to the fact that they're away from home, in a foreign culture.

S.A.D.D.

In its second year at Hingham High the Students Against Driving Drunk Chapter has had a very productive year. Membership and participation in the Club's activities are greatly increasing. The positions of chairpeople this year are held by Beth Hodges, Kathleen McManus, Sarah Lash, Anne Marie Cronin and Alyssa Shelsey who are assisted by faculty advisor Peter Bailey. This year the Group has worked very hard to organize the production of "Eddie was Here." The play, taking place on February 27, is aimed at providing education about alcohol abuse to student and families in the community. This project has required a great deal of time and effort from all of its members to raise the adequate funds to cover production costs. Although the club is relatively new to Hingham High it is becoming well established and growing under the direction of Mr. Bailey.

The Math team . . . the most mysterious group in Hingham High. No one knows who we are, what we do, or where we go. People make fun of us because they're jealous of our extraordinary talent. Or maybe its because they have no idea of our true motives. The fact is, they're just scared of us. They realize that with the help of Mr. Baisden we are almost unstoppable. Some of the underclassmen have been brainwashed and sworn into our secret group. It wont be long before every student in the High school is a zombie servant to the Math Team.

Symphonic Band

The Hingham High School Concert Band has a reputation for excellence. It prides itself in its outstanding performance in concert and in competition. The members of this group commit themselves to excellence and work hard to fulfill this commitment.

Being a member of the Hingham High School Concert Band is a big commitment. Rehearsals start a week before school does to ensure that there is a presentable Marching Band for the first football game. The music and drill steps must be constantly rehearsed to keep them at an acceptable level. The band is present and plays at all the home football games. They also serve as a cheering section for the Harbormen. In addition to the marching requirement, band members must help in the annual fruit sale to raise funds for their spring concert/competition trip. For the past two years, the concert band has completed and taken many of the top awards at music festivals in Canada. The 1989 spring trip is to Washington, D.C.

This year has seen a few changes in the band program at Hingham High. It felt the loss of an outstanding Band Director Mr. Jeffrey Browne who was replaced by Mr. Earl Harmon.

Jazz Band

Since the dawn of time the Hingham High School Jazz Band has been a dominant force in both the Southeast District and State Competitions. Last year in Toronto, we swept the competition, capturing Best Rhythm Section, Best Saxophone Section and Best Brass Section honors. Two Outstanding Soloist trophies were also given to graduate Chris Strone and senior alto sax player Jamie Hughes.

This year, however, will go down in the archives as a transition year. We will be competing, thanks to the freshman population, in the top division, against bigger schools with bigger programs.

Mr. Earl Harmon surely has many successful years in front of him, but the change this year has been anything but smooth.

Next year's band will have major gaps due to the departure of the class of 1989's talented corps of musicians. Sax section leader Jamie Hughes; Trombone section leader, Bobby Johnson; Lead Trumpet, Kelly Raymond and Second trumpet Pete Hess are all headed for greener pastures, where tuning, whining and six hours of rehearsal a week are unheard of.

Band Officers Top L R: A. Sanocki, M. Canavan, C. Flynn, B. Johnson, R. McKenzie, S. King, J. Fish, J. Parrillo. Bottom L R: P. Hess, D. McDonald, J. Hughes, K. Raymond, B. Blaire, J. Pimentel, L. Sullivan.

Chorus

The Hingham High School Chorus is under the direction of Dr. Paul Cappers for the second year in a row, and they're only getting better. This year, they performed at least three concerts for the public. This spring the mixed chorus is competing against a large number of groups from all across the nation at a festival in Washington, D.C. A grinder sale and a "Parent's Prom" were used as fund raisers for the trip. The entire chorus would like to wish the class of 1989 luck in the years to come, and thank you for your help and support.

Chorus Members

Choral Spectrum

The Choral Spectrum is an elite singing group that was founded last year by Dr. Paul Cappers. The group has performed at numerous concerts, including the Tri-County Choral Festival. The Spectrum will also be going to Washington D.C. this spring to compete with Madrigal Choirs from across the country, even though Spectrum often does Show Choir material as well as madrigals. The Choral Spectrum would like to thank the class of '89 for its enthusiasm and wish everyone luck in the future.

Lexington High, B.C. High, no problem for the Hingham High Debate Team. The members meet with Mr. Haviland every Monday and Thursday to plan strategies. Due to the fact that this is the first year that the team has met they have not had any meets, but the dedication of the officers has established a strong team which in future years will not back down to larger teams. The Officers are Heather DuCasse — (President), Nakul Vakil — (Vice President), Sarah Cleary — (Secretary), Sarah Howe — (Treasurer); they have spent time debating such controversial issues as Abortion, the Death Penalty and Search and Seizure in Public Schools. The members learn a valuable lesson by discovering both sides of an issue and bringing that to the topic. Come on Hingham High come out and support your local Debate Team.

Volunteer Group

The Volunteer Group was co-founded this year by Jennifer Fish and Danielle Ngo. Mrs. Flaherty, the faculty advisor, has been an inspiration to students by exemplifying her personal commitment to volunteerism. The club's main objective is to reach out to those with unmet needs, including the sick, the homeless, and the elderly. Although still in its infancy the club has been very active. Volunteer members brought candy and balloons to Quincy City Hospital patients on Halloween. In addition to other activities, Jennifer Fish and Danielle Ngo have been involved in preparing and serving meals at Rosie's Place in Boston. Some members are involved with the Hingham Visiting Nurses' New Friends Program whereby they visit elderly persons in their homes once a week. Other members visit an elderly person once a week at the Deering Nursing Home in Hingham. Also, members of the club go to Cohasset Knoll Nursing Home every Friday for an hour to run Bingo and Blitz games. The Volunteer Club is made up of members from all classes at Hingham High School. Members have shown great commitment and enthusiasm in helping others. The Volunteer Club is promising to be one of the most dynamic clubs at Hingham High.

The Hingham High Drama Club is very well known; we have one of the best Drama Club's in the area. This year's Drama Club put on the Musical Grease in the fall, and has gone onto the next level for their production of the Danish Soap at the Festival Performance. The Highlight of every year for Drama Club members is the trip to New York; where they tour Broadway and New York. They earn the funds through Raffles and Ticket Sales. This years officers were T.D. Carpenter, Mike Kay, Brook Gracia, Liz Kilmartin, Greg Hren and Faith Frary.

Support Group

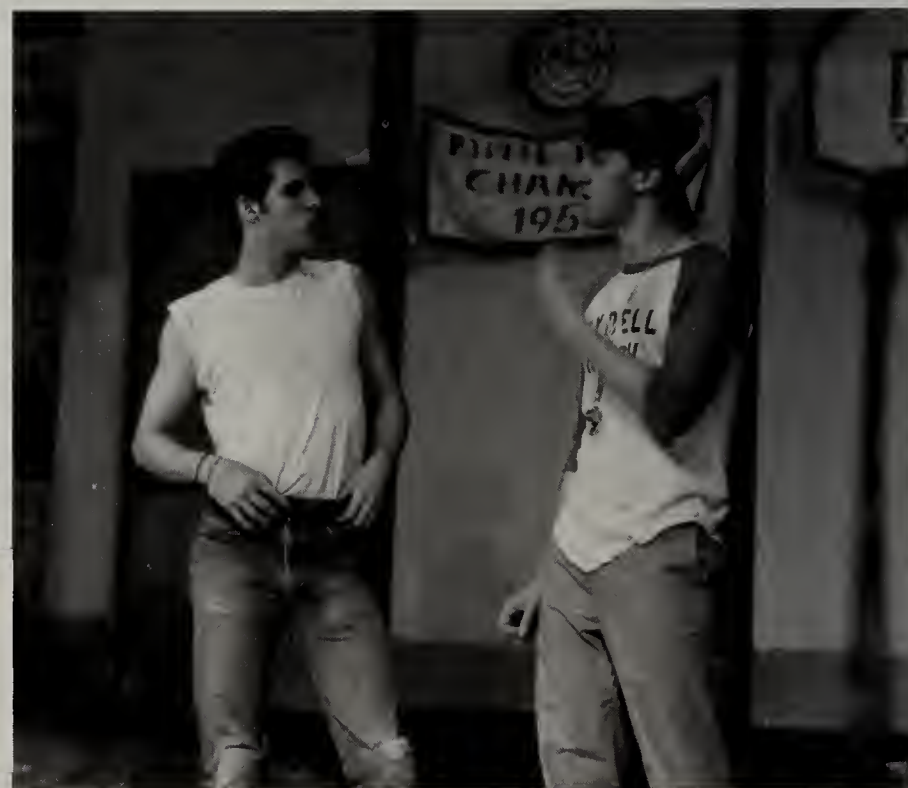

Members: L-R D. Griffith, Mrs. Walsh, G. Lynch, S. Smith, N. Vakil, N. Buba, J. Weber, C. Burrell.

Members of the Support Group act as student counselors and peer role models who have sworn off any form of drug or alcohol. The group's efforts are not confined only to the High School. Members have gone to elementary schools to teach drug and alcohol awareness programs. These program's goals are to educate the young and to help prepare them for the future.

Spirit Week

The Spanish Heritage Study in Spain

Each summer, Hingham High, under the auspices of Mr. John Nionakis, and Spanish Heritage, or "La Herencia Espanola", sponsor a study in Spain program for all interested students. The five-week program consists of four weeks spent in Madrid and a final week passed in another part of Spain. In the city, the students attend three one-hour classes at the University of Madrid learning about various aspects of the Spanish culture and language, four days per week. This adds up to a total of sixty classroom hours which are concluded with a final exam and a graduation ceremony. In addition, one day a week is devoted to a museum visit in Madrid, while Saturdays are spent on day trips to such attractions as Toledo, Segovia and Avila, and El Escorial.

The summer of 1988 participants in this program included seniors Dave DeBruin, Amy Casciato, Julie Kurr, Kathleen McManus, Alicia Ponichtera, juniors Kristen Antall, Katie Cannon, Jill DiMartinis, Adam Goldberg, Chris McGuire, Tom Murray, Cathy Roche, Doug Scipione, and Grady Winch. We met kids from Chicago, New York, and New Jersey, among other states, and we developed great friendships with them. I am sure that none of us will ever forget all the new things we learned there or all the fun experiences we had: La Plaza Mayor contest; the discos "Oh," "Cuatro Rosas," "Joy", etc.; sangria parties; water fights; George Michael and Cleopatra; listening to Mike's family stories; the sand bar; beach party in Alicante; Eva and her great plans; Burger King; paella; Jesus and the employees at Augustinus; the clean public pools; the Metro; "babysitting" each other; el supermercado; doing laundry; El Corte Ingles; Bora Bora; the litre bar; "not even"; Paul G. getting mauled by the bull; James' accidents; Pink Floyd and Bruce concerts; "Te gustaria patatas fritas?" (wink, wink); the girls (with mirror) across the street; Senor Sanza.

In conclusion, we would like to thank Mr. Nionakis for giving us this wonderful opportunity to experience so much of another culture, and our parents for allowing us to take advantage of it. We all changed a little as a result of our trip, and we highly recommend the Spanish Heritage Program to all individuals, whether they speak Spanish or not.
